

Ahmad Faisal

Software Engineer | Jakarta, Indonesia | P: +62 813-8342-2960 | ahmadfaisal2513@gmail.com

SUMMARY

As a Software Engineer, I have a proven track record of managing a wide range of projects, from development to implementation. Alongside my expertise in coding and software architecture, I have substantial experience as a Team Leader and Project Manager, successfully guiding teams to deliver projects on time and within scope. I am a fast learner, passionate about exploring new technologies, and committed to delivering innovative solutions in the field of software engineering.
